Respected Sir/Madam,

I take this opportunity to introduce **People's Participation** – a small development organization that works for the deprived communities in different parts of West Bengal for last six years. We also work in partnership with local stakeholders.

Now, we are working with the beggars' community in Dakshineswar and Adyapeath Temple areas to mainstream them within society. Through working for their betterment to stop begging it has been understood that they need to be linked with the existing Govt facilities/ social security measures to control this social evil such as begging in early stages. So, we are trying to let them acquire the Sc/St/OBC certificates to mainstreaming them within society.

But working on this issue we find lot of systematic obstruction in application procedure to get that certificate for a poor illiterate Sc/St/OBC person. So, we request you to let us inform the other option to get that certificate for the beggars' community who most of them have not Govt. identities.

Thank you,

Yours faithfully,

Dipankar Mitra.
